

Mortars Range Technical Data Sheet

BRICKWORKS

| Product Range | Name     | Dimension Illustration |                                                                                   |  | Swatch Image                                                                        | State | Length | Width | Height | Average Weight / Unit (kg) | Durability Class |
|---------------|----------|------------------------|-----------------------------------------------------------------------------------|--|-------------------------------------------------------------------------------------|-------|--------|-------|--------|----------------------------|------------------|
| Mortars       | White    |                        |  |  |  | NSW   | 290    | 200   | 100    | 20                         | General Purpose  |
| Mortars       | Grey     |                        |  |  |  | NSW   | 290    | 200   | 100    | 20                         | General Purpose  |
| Mortars       | Charcoal |                        |  |  |  | NSW   | 290    | 200   | 100    | 20                         | General Purpose  |

This Data represents average results from commercial production lots.

If specific test results are required, sample should be taken from current production lots.

AUSTRALIAN STANDARD TEST METHODS AS/NZS 4456 ARE USED AS APPLICABLE.

Please note: FRL applies up to 3m high - restrained on top and bottom.
